

Century Insurance Group is proud of the over 20 years of continuous service provided to agency partners and insurance customers across the country. In a marketplace that has seen companies come and go, what gives Century staying power is the operating philosophy clearly stated in the company's mission statement:

**“Century Insurance Group is a specialty lines insurer writing commercial property and casualty insurance for niche markets nationwide, focusing on controlled growth, disciplined underwriting, quality reinsurance, strong capitalization, operational innovation, leading technology and exceptional service.”**
