

Customize marketing flyers in these few easy steps!

- Download the marketing sheet you'd like to customize
- The pdf file will open, use your cursor to customize the text marked as "Agency Name", "Agency Website" and "Agency Phone Number." These text prompts are only suggestions, you may also fill in each box with your own information such as your name, email address, etc.
- If you'd like to add a logo, use the area at the top left of the flyer
- Once the data has been customized you may print the file.

Agency Name

Agency Phone
