

## General Liability & Property Inspection Requirements

**Loss control is vital** to ensuring insured's exposures and hazards align with the acceptability, pricing, and conditions written.

Agents with Century binding authority are responsible for ordering an inspection on Binding and Submit business. Century orders the inspection on all Brokerage business. It is **imperative that all inspections, recommendations, and signed compliance are submitted to Century upon receipt.**

**Century's Inspection Requirements** can be found in the Electronic Underwriting Manual (EUM), accessed through Century Online (COL). You can also access through the following link:

[Review Century's Inspection Requirements Here](#)

**You can avoid a new inspection fee** on Brokerage and Submit business if you are able to **provide a favorable inspection from the prior year!**

**If you have questions, please contact your underwriter.**
